

# **KC METRO FOOTBALL TEAM CAMP**

**HARRISONVILLE, MO - May 30-31, 2008**  
**Tentative - NORTH KANSAS CITY, MO - June 6-7, 2008**

## **GENERAL INFORMATION**

**OUR OBJECTIVE:** Provide a positive team camp experience for high school coaches and athletes at a relatively low-cost for the individual student-athletes.

### **THREE KEYS TO SUCCESS:**

- 1) We will continue to recruit high quality teams at all levels in order to make this a highly sought after team camp.**
- 2) We will provide MSHSAA Officials for each game. Two different associations have agreed to use these games as a training tool and to mentor younger officials. Safety will be at the forefront and all officials will be instructed to use “quick whistles” in all situations.**
- 3) We will charge only \$30 per individual as opposed to those camps that are charging well over a hundred dollars per player. Kansas schools can now wear their own gear.**

**The KC Metro Football Team Camp should be a great opportunity for your team to compete in a nice team environment against other schools. We ask that you register at [www.kcmetrofootballcamps.com](http://www.kcmetrofootballcamps.com) or contact the Camp Director below for more information.**
